Consent or no consent to publish the Participant's image on the websites and social media of the university taking part in the Competition, and on websites providing information about the Competition

I hereby agree to the publication of my image in connection with my participation in the Drone Competition "V4UAVchallenge – an annual students' drone meeting and competition", organised by UKEN from 7 to 9 October 2026. This consent covers the free recording, use and distribution of my image for promotional and information purposes related to the Competition. It applies to photographs, statements and audiovisual recordings made during the Competition and includes publication on the websites of the Organiser and participating universities, and on social media (including e.g. Facebook). I allow my image to be processed by cropping and editing, including digital editing. This consent allows my image to be published repeatedly, without time or geographical limits, without needing approval each time.
